The primary focus of the TBI Hope & Inspiration community is to support those with a brain injury.

If you are a caregiver or a family member of someone with a brain injury, Sarah Grant founded www.facebook.com/TbiCaregiverSupport to offer a place for compassionate support for those in need of a safe place to share.

Traumatic Brain Injury Support Group

Note: Just want to say that this page is here for support and advice for others. It has been fabulous and we have create a nice support system for many. That being said, please be sure to check with your healthcare provider and/or doctor regarding anything medically. We are not doctors. We are just regular people like you looking for someone going through the same thing we are.

TBI Caregivers & Supporters

<https://www.facebook.com/TbiCaregiverSupport/>

The primary focus of the TBI Caregivers & Supporters community is to support those caring for a loved one with a brain injury. If you're experiencing challenges with an injury, you may find some comfort in our sister community, TBI Hope and Inspiration: /TBIHopeandInspiration. Welcome to the family! Let us know where you're from, how you got here, and how we can support you!

Traumatic Brain Injury Support

Resources for Getting Services Paid For

This one is obviously challenging. I think The Family Caregivers Alliance is probably the best resource for finding out about services in each state.
