Virtual Conference

Childhood brain injury: Moving research into practice

November 13-14, 2020

cbirt.org/2020conference

Leading researchers will share strategies for integrating the latest evidence-based practices in everyday settings.

Learn best practices for:

- Managing the concussion recovery progress
- Educating athletes, coaches and parents about concussion
- Sharing evidence-based strategies for supporting children at home
- Establishing effective policies to support youth in correctional settings
- Working with diverse communities to increase brain injury awareness
